FAREWELL

"To the hollowed halls of ivy, every voice will bid farewell." For now, we are the graduating class of 1968, and not just another graduating class. It is we who will be wearing the caps and gowns this year.

Perhaps few of us know the true meaning of the word commencement. It is defined in the dictionary as the beginning. True, it is the end of our high school years but it is also the beginning of a new life, a different life for all of us.

From now on the degree of success and happiness which we achieve must be the result of our own effort, for no longer can we depend upon the efforts of those who have pampered, cajoled, and prodded us in the past.

Our world is rapidly becoming more complex but let us realize that the opportunities are even greater. There are vast fromtiers of knowledge to be explored and developed by the citizens of our generation.

No matter what paths we follow, regardless of our accomplishments in the years ahead, surely we will all look back with fond memories to our years at G.H.S. and to those who have helped make them so memorable.

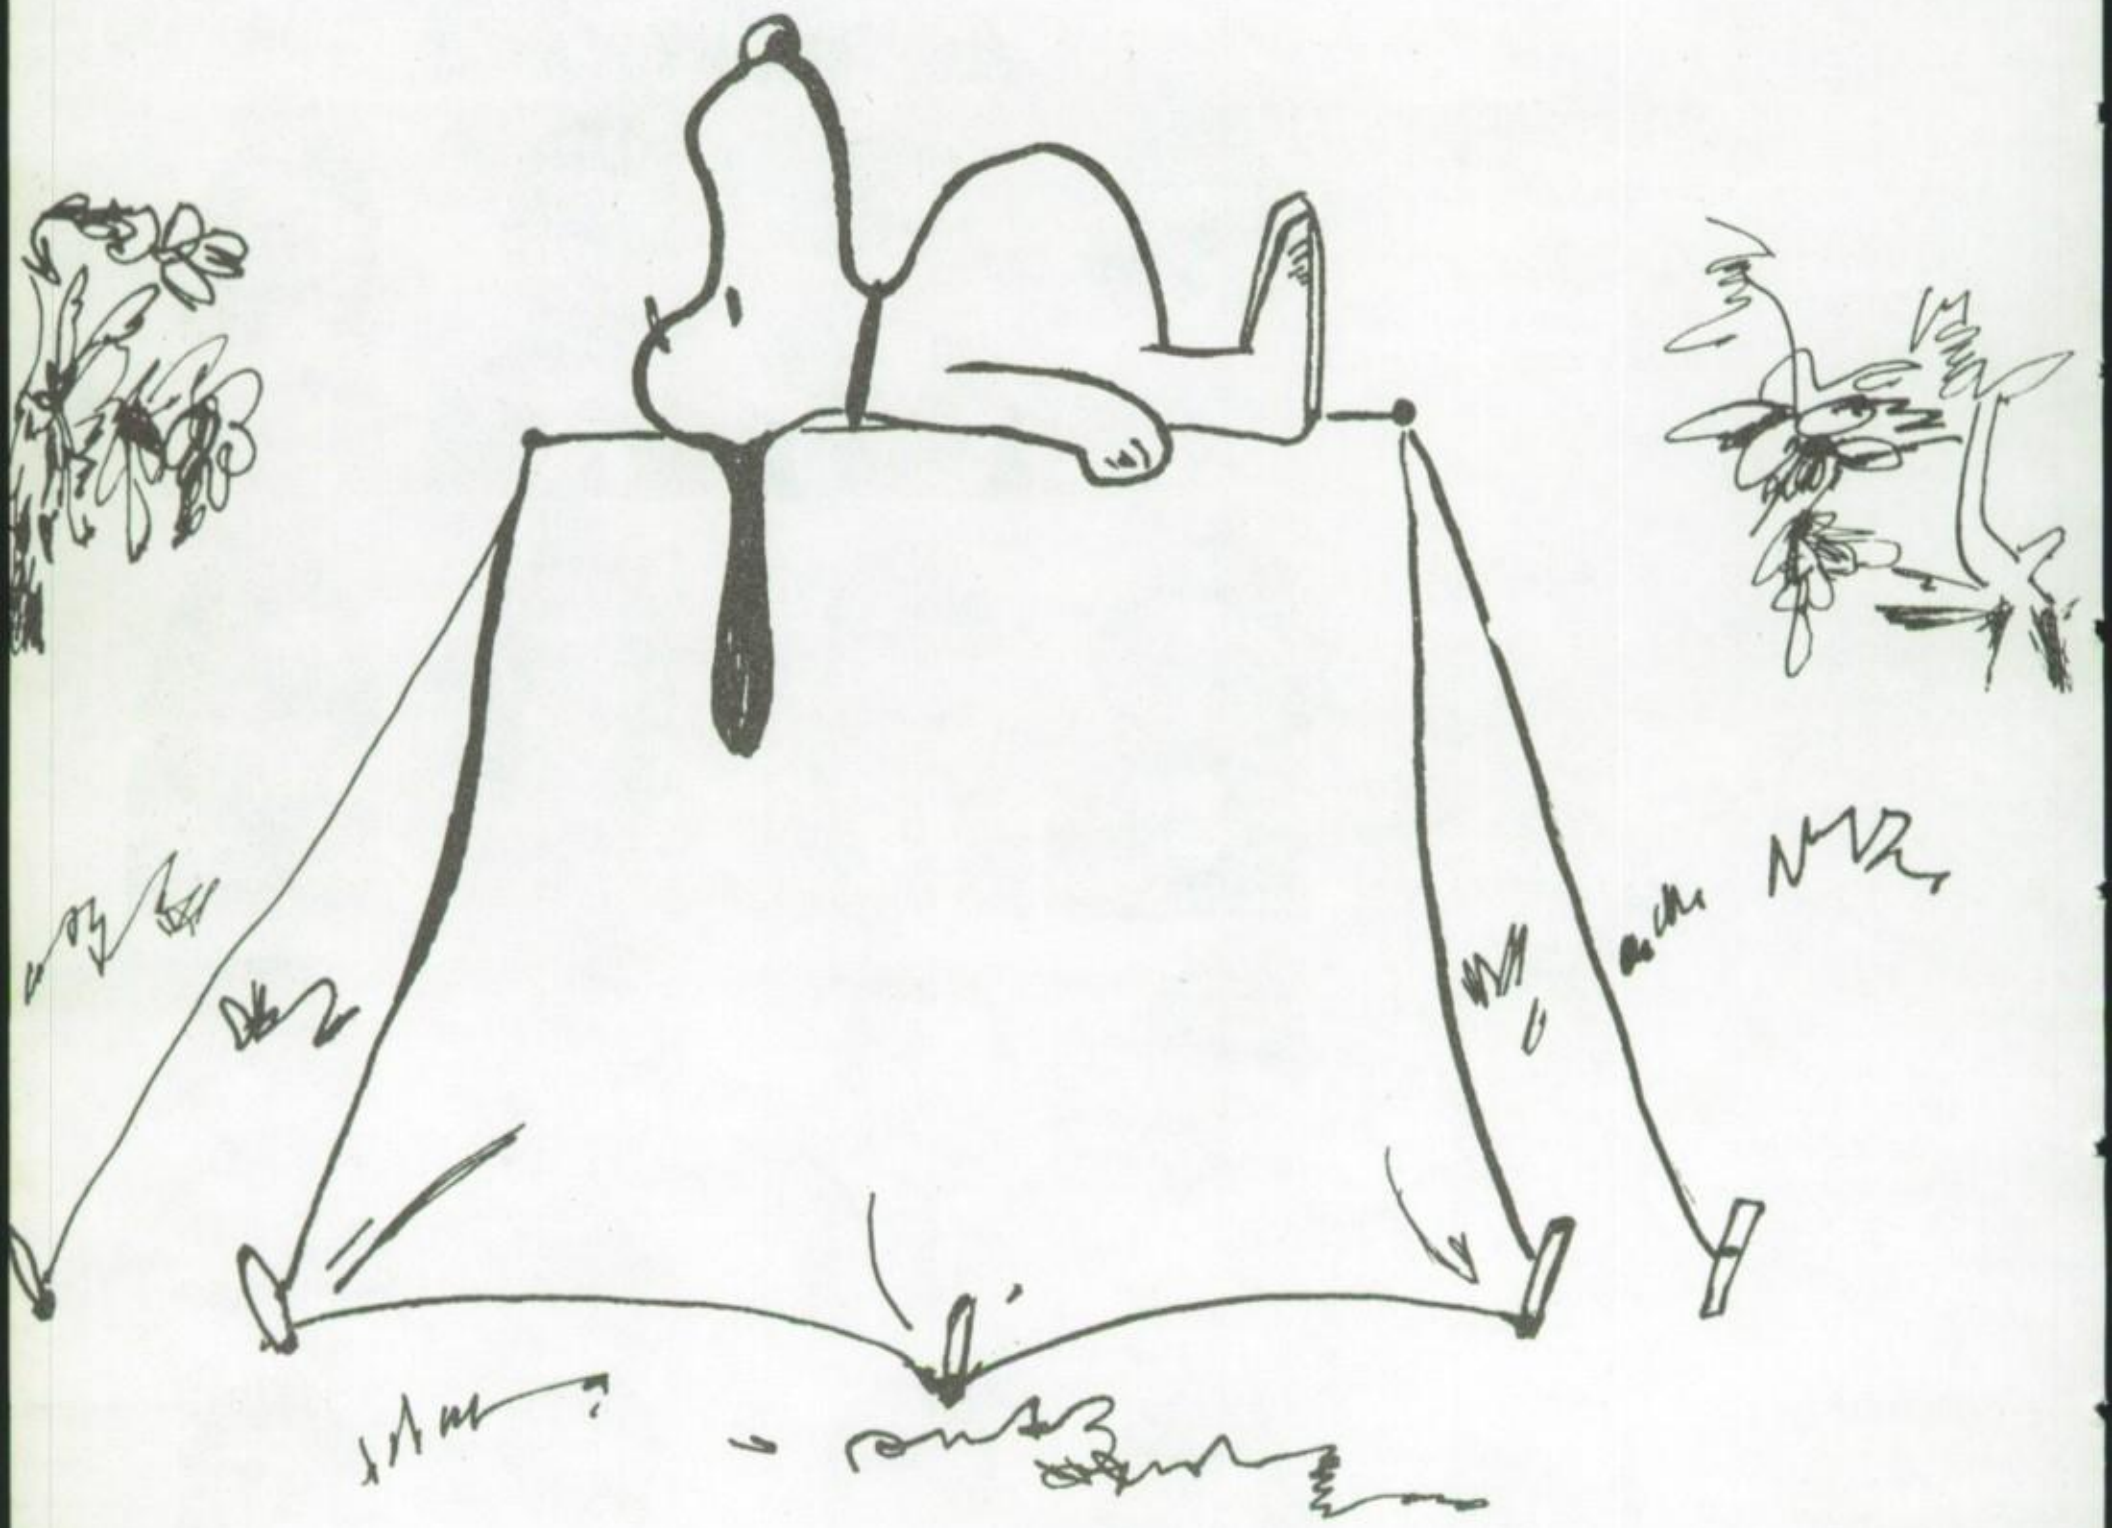
ACTIVITIES



. . . IS CAMPING OUT AT LEAST ONE NIGHT DURING THE SUMMER.

CLASS HISTORY

Our class had its beginning in 1955 with 48 pupils under the direction of Mrs. Leona Swezig.

In the first grade, our teachers were Mrs. Henize, Mrs. Whiteman, and Mrs. Reichardt. We took our first trip to the zoo this year. Mrs. Reichardt's class performed a square dance for the PTA and everyone enjoyed it very much. Mrs. Reichardt's class also had a class play.

In the second grade, with our teachers Mrs. Blaine and Mrs. Baird, we again journeyed to the zoo. Mary Lu Owen joined our class this year and we presented "The Duel" for the PTA under the direction of Mrs. Jean Domer. There was much excitement caused when they thought there was a ghost in the girls' restroom, but it turned out to be a bunch of ornery boys.

We were the initial third grade class in the Alverda Reed Building and our proud teachers were Miss Berry, Mrs. Boyd, and Mrs. Potts. We went to the Grant Theater this year and saw "Bambi." Dolores Aldridge came to Georgetown from the state of Washington. Our class was very busy saving tax stamps for new reading books. We had fun making bread and butter sandwiches and giving our Mother's a tea.

Miss Neal, Mrs. Smith, and Mrs. Anderson were our fourth grade teachers. Many of us learned how to play the flutophone and began our band. Miss Neal's class wrote a Christmas poem and we were all very happy and proud when it was published in the "Georgette."

Our fifth grade classes were taught by Mrs. Berry, Mrs. Sharp, and Mrs. Willis. Debra Long joined us and we all journeyed to the Grant Theatre again to see "Old Yeller." Our hobbies were playing jacks and softball. Each room celebrated with a picnic at the end of the year.

Our sixth grade classes were held in the Grant Avenue Building and our lucky teachers were Mrs. Lucas, Mr. Baird, and Mrs. Applegate. We held a solemn funeral for George, our pet snake, when he died with Dolores A. playing the funeral dirge. Christine Carcon joined us the day we had our pictures taken.

In the seventh grade, we were taught by Mrs. Liggett, Mrs. Hook, and Mr. Liggett. Debbie H., Mary Helen S., and Jann C. were elected cheerleaders and cheered the team to an undefeated season. Our class presented the play "Kings of Nomania" and we were joined this year by Dale Dotson. Our proud representatives at the Valentine Ball were Buck Edmisten and Jann C. We celebrated the end of the school year with a class picnic. Mr. Stephenson brought cake and cookies for his birthday.

Mr. Applegate, Mr. Grotsky, and Mrs. Sininger were our home room teachers in the eighth grade. We all were "treated" with a trip to the water works and to the greenhouse. Cheering our team to its second undefeated season were Debbie H., Jann C., Mary Helen S., Ginny W., and Mary Lu Owen. Our representatives this year were Rick Ernst and Mary Lu Owen. We had another picnic as we ended our years in junior high and eagerly awaited being graduated to freshmen.

We were all very pleased to enter high school and we busied ourselves electing officers and having bake sales. Jackie Cahall and Jerry Sink were chosen as our Valentine Ball representatives and Debbie Ferris was elected Homecoming Attendant.

In the tenth grade, Linda W. joined our class and we had bake sales and the basketball concessions for money-making projects. Representing the sophomores at the Homecoming game was Debbie Ferris. The Latin class had a party for Miss McCall and surprised her with flowers.

Our busy junior year was filled with planning for the prom. The theme was "A Summer Place" and reigning as king and queen were Lucky Johnson and Cindy Cahall. Debbie H. and Dolores C. cheered the team to victory and Delores C. represented the class as homecoming attendant. Our ranks swelled this year with the addition of Henry Barger, Pam Baylor, Chuck Jones, and Millie Williford. As we were looking forward to our last year in high school, we were all very happy to receive our class rings.

Our senior year is almost over but it doesn't seem possible. We've ordered our caps and gowns and announcements, and exchanged pictures. Our cheerleaders were Debbie H., Delores C., and Ginny W. We were pleased to have Debbie Ferris elected Homecoming Queen and Delores C. attendant. The members of the Honor Society enjoyed the trip to Cincinnati and now everyone is eagerly awaiting our graduation, which will mark the end of twelve wonderful, fun-filled years at G.H.S.

HOMECOMING 1968

Queen, Debbie Ferris and attendants, Sharon Cooper, Delores Cahall, Susan Walker, and Vicki Godby

Queen, Debbie Ferris and Escort, Terry Boone

The 1968 Homecoming ceremony started with a victory by the G-Men Reserves over Lynchburg. Then came the half-time show. The High School Band presented "Happiness Is" and then formed the traditional arch ways for the queen, her court, and the escorts. Miss Debbie Ferris was crowned Homecoming Queen 1968. She was presented with a trophy by the Student Council, one dozen roses, and a "congratulations kiss" by her escort, Terry Boone. The Queen's Court was graced by the senior attendant, Miss Delores Cahall; junior attendant, Miss Vicki Godby; sophomore attendant, Miss Sharon Cooper; and the freshman attendant, Miss Susan Walker. After the presentation of the queen and her court, the girls were escorted to seats reserved for them. From there they watched the G-Men Varsity defeat Lynchburg.

Many returning former students enjoyed the dance with us following the game.

The Scholarship team is made up of two pupils in each subject who have ranked high on the Preliminary District Test of Scholastic Achievement. Pupils who rank among the first two on more than one test select the subject they wish to take on the final test and the next highest moves up to qualify for the team.

The preliminary test for team selection is given locally in March and the final test is given in a district center in May.

There are twelve counties in the Miami University district of which Georgetown is a part. The state is divided into five districts with a major state university as the center. Schools are classified in three groups according to size.

Certificates of award are presented by the State Department of Education to pupils who rank in the upper twenty-five per cent in the group. A scholarship medal is presented locally by the school to these winners.

As this goes to press the winners for 1968 have not been announced. Last year Georgetown High School had twenty-one who qualified for medals and certificates. Six ranked in the upper twenty-five per cent in the state and one, Richard Marks, ranked eleventh in the state in advanced Algebra.

Georgetown High School has had a very good record in scholarship tests for a number of years. The Scholastic test program gives deserved recognition to good students.

The Paul R. Rainey Chapter of the National Honor Society was established in the high school November 1, 1960. It was named in honor of Mr. Rainey in recognition of his lifetime of dedicated service, and his high scholastic standards in the Georgetown High School. One hundred students have become members of the organization.

Qualifications for membership include a scholastic average of 92 per cent and creditable personal traits of character, scholarship, leadership, and service.

The candidate for membership becomes eligible for the first time at mid-year as a junior. He may become a member at the end of any semester thereafter. The final approval for membership occurs when at least 80 per cent of the voting high school faculty indicates approval.

The society is, for the most part, honorary in nature. Several school service projects are completed each year.

The first student council in the Georgetown High School was organized during the present school year under the leadership of Principal Bob Taylor, Edward Beck, social studies instructor, and Evelyn McKinley, English instructor.

The constitution for the council emphasizes the improvement of pupil-teacher relations, the promotion of pupil welfare, and service in the school.

Many matters of concern and interest have been worked out in the regular meetings of the student council. A project that was carried out this year was assisting the junior class with the Homecoming Ceremony.

As we become more experienced in this valuable form of student government, we expect much of value to come from it in future years.

The Future Homemakers of America is a national organization of students studing homemaking in high school. The organization helps individuals improve personal, family, and community living, now and in the future.

Each year, members of local chapters develop a program of work built around our state and national theme. Our theme chosen for this year's work was Good Family Relationships.

Our activities started in September with our County Fair. Our float "Land of Liberty" received first prize. Donna Brown and Alan Purdy were our fair king and queen candidates. Our demonstrations, which competed against other F.H.A. Chapters in the county, were done by Donna Brown, Carolyn Meranda, Dolly Ingles, Debbie Griffith, and Janet Griffith, with Carolyn Meranda receiving the prize for best demonstrator.

Our District Meeting was held at Peebles. The theme was one of our state projects, "Home Safety." Donna Brown was the retiring treasurer and Carolyn Meranda is the new secretary for the district. Our chapter had a part in the program.

At our state convention at Columbus, Carolyn Meranda received her State Homemakers' Degree. It is the highest degree in F.H.A. Eva Ernst accepted the Award of Merit for our chapter. Sandy Ernst was in the chorus. Donna Brown and Janet Myers were voting delegates. The others attending were Janet Schmidt, Mrs. Frank Myers, Janet Griffith, and our advisor, Miss Dorothy Sanborn.

The Georgetown chapter of the Future Farmers of America started its successful year of 1968-69 last April. Our chapter sent two delegates to the State FFA convention. In May, we participated in the State FFA Dairy and General Livestock judging contests. In July, four members attended state FFA camp. August 9, we held a pool party at Georgetown. Here we hosted the Felicity and Eastern Chapters. In August, our queen, Debbie Ferris, represented us in the state FFA queen contest. In September, our chapter helped prepare for the Brown County Fair.

On October 26 our chapter held its Greenhand initiation ceremonies, 17 greenhands were brought into the chapter. In November, our Parliamentary Procedure team won first place and a gold rating at the sub-district contest. In December, we sold our FFA tobacco, which all boys help raise, and which is our chapter's major income. We also participated in the tobacco grading contest at Ripley, and held a Christmas party with the FHA.

In January, we held chapter farmer ceremonies where eight boys were awarded the chapter farmer pin. Also on January 31, Donald Newman and Lynn Gardner participated in the sub-district public speaking contest in which both boys received a gold rating. Lynn went on to the district contest on February 14, and won first place. Also in February our chapter observed National FFA Week on February 22, by wearing white shirts, ties, and FFA jackets. In March, our newly elected officers went to Dayton for officer training.

The state FFA awards contest is held in March. We did very well in the contest. Our chapter received a superior rating, and Lynn Gardner was chosen as a state farmer, and the district Horticulture winner. Also our chapter had its annual Parent and Son Banquet on March 29. Individual awards were given at the banquet, and our Northeastern sectional vice-president was speaker. Also our state executive secretary was present to give comments and present some awards. Steve Utter and Lynn Gardner were chosen to play in the state FFA band on March 31.

Throughout the year we gave three parliamentary procedure demonstrations and participated in hunter and farm safety programs. We also donated money to the O.S.U. scholarship organization.

At the 1968 state FFA convention we will be represented by two delegates. Two members will play in the band and a member will participate in the state FFA public speaking contest.

This year has been a busy, and most successful year for the Georgetown FFA.

The G.H.S.Band under the direction of Wilbur J. Aldridge has done it again! A fine performance at Wilmington on March 30 enabled them to bring home a Superior rating in the district.

This is just the most recent achievement of the 1967-68 band which made its first appearance of the school year at the Brown County Fair in September. During the course of the year the band presented fine original and delightful band shows at the basketball games climaxing the season with an excellent performance at the Homecoming Game in February.

The annual spring concert was held on May 3 in the high school auditorium, the final concert for the seniors of '68. However, the band's performance in the Memorial Day Parade will mark the final appearance of these band members now classified as graduates.

Twenty-two members of the band have formed a swing band which has performed at various functions in the community and earned well deserved praise.

In the ten years Mr. Aldridge has been instrumental instructor at G.H.S. the band has earned six superiors at district and two superiors at state. Our sincere congratulations to Mr. Aldridge for a job well done!!!

The G.H.S.Vocal Music Department enrolled 143 members for the 1967-68 school year. The choir made its first appearance when it sang at the Reformation Service in the high school auditorium. In keeping with tradition of the past several years, the department presented a program for the student body at Thanksgiving and a Christmas concert for the public early in December. The December program featured the Cantata "Love Transcending" and the program closed with the "Hallelujah Chorus" from the Messiah.

On April 4-5 the entire vocal music department presented the operetta "The Belle of Barcelona," under the direction of Mrs. Krum. Directing the dialogue was Mrs. McKinley. The performances were well received.

The choir made its final appearance of the year at the Baccalaureate Service on May 19.

The department was especially fortunate this year to have several very competent accompanists: Dolores Aldridge, Glenna Neu, Karen Thackston, Harold Bradley, and John Carrington. The members of the department are well aware, however, that their successful performances were made possible largely through the direction and encouragement of Mrs. Louise Krum to whom we are all grateful.

ROW 2: Coach Vernon Hawkins, Nick Tsanges, Tom Ulrey, Gary White, Ralph Craycraft, Lynn Gardner, Jon Wisby, Charles Fiscus, Bill Arn, Tom Mason

The Georgetown cross-country team was unbeaten in seven dual meets. One of their biggest accomplishments was winning the Georgetown Invitational for the first time. In the Ashland Classic at Ashland, Ohio, they placed 7th out of twenty-five schools. The G-Men finished 3rd in district and 11th in state.

The outstanding runners this year were Terry Boone, Nick Tsanges and Gary White. Boone's greatest moments were winning the Georgetown Invitational, and later, at Ashland, finishing 4th in a field of 200 runners.

The team will be sure to have another very good season next year and we wish them luck.

As we go to press the baseball team has had one of its best spring seasons as it takes three straight tournament vicotries and an overall win-loss record of 6-3 into the district finals against Cinton-Massie at Country Day.

Georgetown advanced to the district finals with a 7-2 victory over Williamsburg, defeated St. Bernard 13-8, and finally won a tough 2-0 victory over Ripley.

Kenny Cahall has been the number one hurler with an ERA of 1.57, a 5-1 record and has registered all three tournament wins.

Chuck Wolffrum and Johnny Cahall are both hitting around 500. Wolffrum, Cahall and Ron Fetters all have hit home runs and catcher Bob Waters has lashed out 5 triples.

Leadoff hitter and centerfielder is John Reynolds; Sherrill Smith in right field, Denny Brooks, and Davy Warner at second; Bill Arn and Bill Geschwind at first.

Tribute to GHS

Eight classes every day at school,
How can the teachers keep their cool?
We try our best to give them a rough time
Especially in English when taught grammar and rhyme.
In high school we do our very best
To rid the teachers of their zeal and zest.
The teachers here are really great
So, I'll describe them and their traits.

Mr. Beck is the greatest
He's really hip to the latest.
Mrs. McKinley and Shakespeare
Kept us busy through the year.
Mr. Day, handy with lab tools
Has nightmares about giant LSD molecules
There's Mr. Rainey the math brain
We warn you not to ride your bike in the rain.
Mr. Hawkins teaches careful driving, but I bet
He really gets around in his '68 Vet.
Mr. Coleman as a beginner
Made our team almost a winner.
Mrs. Harmon after Senior English,
Agrees that a little peace and quiet would be divine.
Mrs. Scott with her Ripley walk,
Taught us how to Ripley talk.
Miss Sanburn teaches all our girls,
How to become ladies with make-up and curls.
Our Latin teacher M. McCall
Tells us of Rome and its' fall.
Mrs. Shafer the calculator
For bookkeeping there is no greater.
In Mrs. Evans's class the one great need,
Is speed, speed, speed, and more speed.

Of our teachers these are all
As you see our staff is small
Now we'll list our office crew
They are mighty, though they are few.
Mr. Taylor our principal man
Knows how to rule our student clan.
A valuable teacher is Mr. Hook
But his lesson does not come from a book.
Mrs. Sininger the high school den Mother
For counselor she beats all others.
Mrs. Miller though not a teacher,
Is a very vital G.H.S. feature.

About the staff, you may debate
As for Seniors '68.
We think we are very great,
Since we are going to graduate.
